En Retrospect

Foreword

The Life of a Teenager Is . . .

. . . the realization that we are individuals, unique in our own ways

. . . the new feeling of responsibility

. . . the thrill of first dates

. . . the cheers for that winning touchdown

. . . the "hello" as we enter the hall in the morning

. . . the falling rain as we were leaving school

. . . the rhythm of the typewriter keys in meeting a deadline

. . . the congratulations after a game well-played

. . . the taste of a Coke with friends after school

. . . the anxiety of exams

. . . the joy of the homecoming parade

. . . the disappointment of a low grade

. . . the warm smile of an approaching friend

. . . the thrill of being chosen as a class officer

. . . the indecisions about our future

. . . the waiting for the sound of our names as they are called at graduation

Dedication

We, the Annual Staff of Lawrence County High, 1968, gratefully dedicate this year's **En Retrospect** *to everyone in our lives who have "brought us thus far," including our parents, teachers, ministers, friends, and others with whom we have been associated.*

Our democratic ideas have been shaped by all these people and through these ideas we have the opportunity to advance to our rightful place in the world. As we dedicate this copy of **En Retrospect**, *may we do so with the same philosophy as that of Edward Everett Hale:*

"To look up and not down,
To look forward and not back,
To look out and not in,
To lend a helping hand."

The day

begins . . .

goes on . . .

and on . . .

and ends.

Alma Mater

Lawrence High, listen Mother,
To our vows of love;
To thyself and to each other,
Faithful friends we'll prove.

High school days are swiftly fleeting
Soon we'll leave thy halls,
Ne'er to join another meeting,
'Neath thy hallowed walls.

So farewell dear Alma Mater,
May thy name, we pray
Be reverenced ever, pure and stainless
As it is today.

Chorus:

Faithful, loyal, firm and true,
Heart bound to heart will beat.
Year by year the ages through,
Until in heaven we meet.

Mr. Lewis A. Watkins, Principal

PRINCIPAL'S MESSAGE

In a school as large and active as Lawrence County High, it is impossible to publish a complete account of all the honors won by individuals and by groups. I congratulate you Seniors on your achievements and invite you to retain that spark of ingenuity that lies within each one of you and to develop those qualities that will bring satisfaction and fulfillment to your lives.

It is my hope that the education you receive here will help to prepare you to meet the challenges of changing times. Let me urge you to continue your education so that new doors of opportunity and service will open for you.

Boys' State is conducted each year at various colleges and universities throughout the state. Its purpose is to acquaint young men and women, as future leaders of society, with the government of their state. In 1967 it was held in early June at Samford University. Representatives engaged in various activities of the forms of state government and enjoyed a trip to the state capital to fill the chairs of of the state officials. Girls' State inspires high ideals of citizenship through actual participation in State Government Procedure.

JOHNNY WATERS
L.C.H.S. REPRESENTATIVE TO INTERNATIONAL SCIENCE FAIR

The 18th International Science Fair was held in San Francisco, May 10-13, 1967. 425 projects were shown representing all fifty states and seven foreign countries. These projects were exhibited in seven categories: botany, chemistry and biochemistry, earth and space sciences, medicine and health, physics, mathematics and computers, and zoology. It was estimated that each finalist represented 1,842 exhibitors in school and regional science fairs leading to the International Fair.

Twelve finalists represented Alabama in San Francisco and they received ten prizes. These finalists were given much free time to see San Francisco where they visited such places as Alcatraz, Wells Fargo Bank, Muir Woods, Chinatown, Montgomery Street (San Francisco's Wall Street), Haight-Asbury. The 19th International Science Fair will be held in Detroit.

CHRISTMAS BELLS

GREETINGS

It can't be that bad!

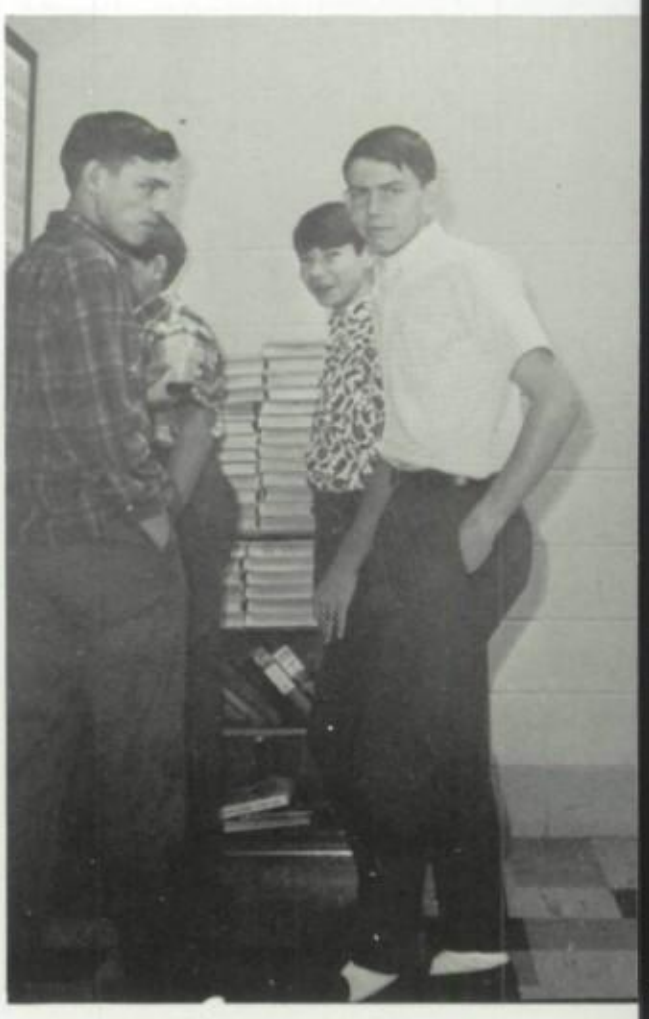
We do this every day.

But a square is a rectangle!

Hear no evil, See no evil, Speak no evil . . .

Run everybody!

Physical fitness is me!

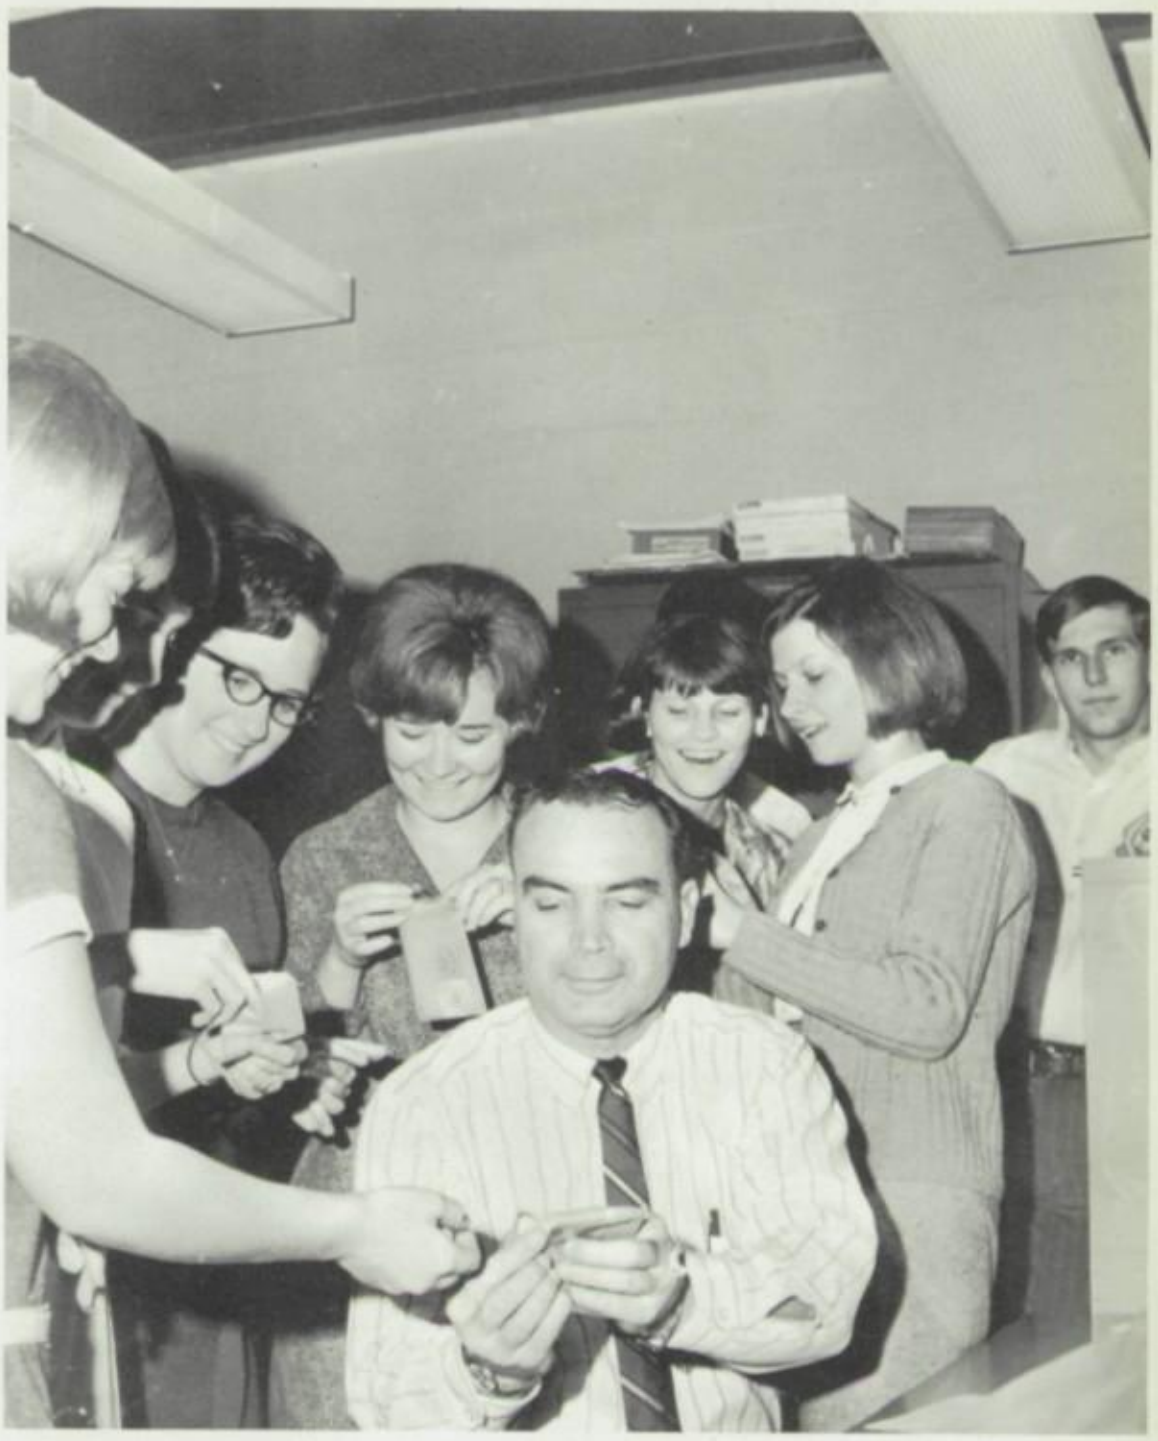


Who smelled a rat?

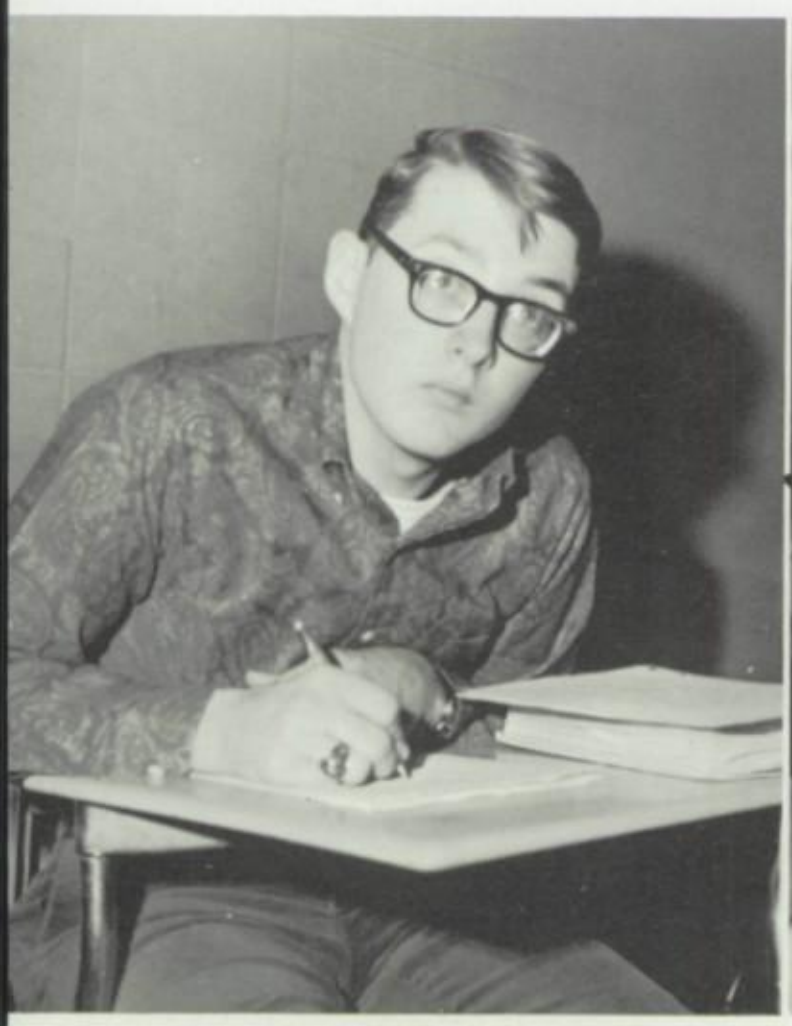
How now, brown cow!

We know where we're going.

Where the boys are.



RINGS!



Yes, I study all the time.

Just wait till you see this!

Why should we know?

Service with a smile.

I'm Queen of the Nile!

O-o-o-oh!
I'm
gonna
fall!

I didn't
know
you'd
catch
me.

In the
shadow of
great
minds . . .

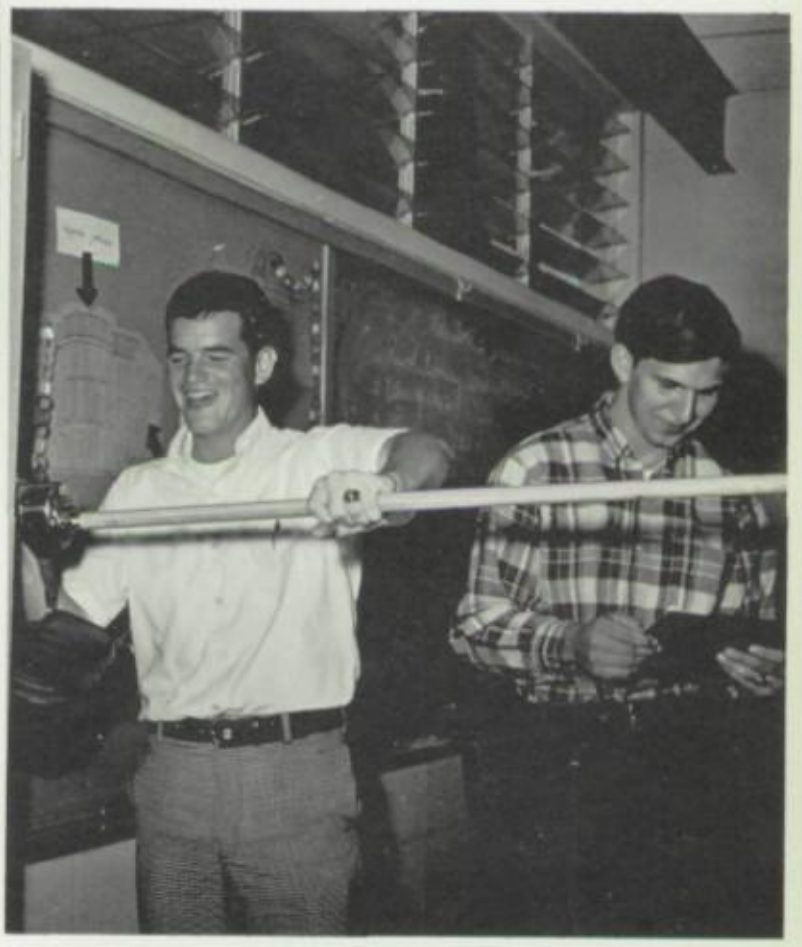
Yes, I
am
interested
in
the
Miss
America
contest.

Is San
Francisco
really
that
exciting?

Uh-Uh — not too close!

We're on our way!

I'm watching you.



Super man, super pencil.

What popularity!

You won't believe this.

OK — work, but I'll sleep.

The Twenties are here again!

Hup, two, three, four.

THE PERISCOPE staff

Now, Daddy . . .

Yeah, man!

I'M not married yet.

We're not always this happy!

This was the year of the hidden eye.

It's like this, kid.

Daydreaming?

I saw you, Posey!

Your notebook has had it!

Sweet innocence of youth.

Just wait'll we're Seniors!

Stew! Again!

Who put my head on backwards?

You touched!

Watch it, here he comes!

Which way did they go? Which way did they go?

I'm always quiet!

All together now — fists in mouths.

Another day, another dollar.

The THIMK System.

I thot I taw a puddy tat!

She can't run away from me!

Visitors to our school

Want to make something of it?

Look — Look!
See our new
teacher!

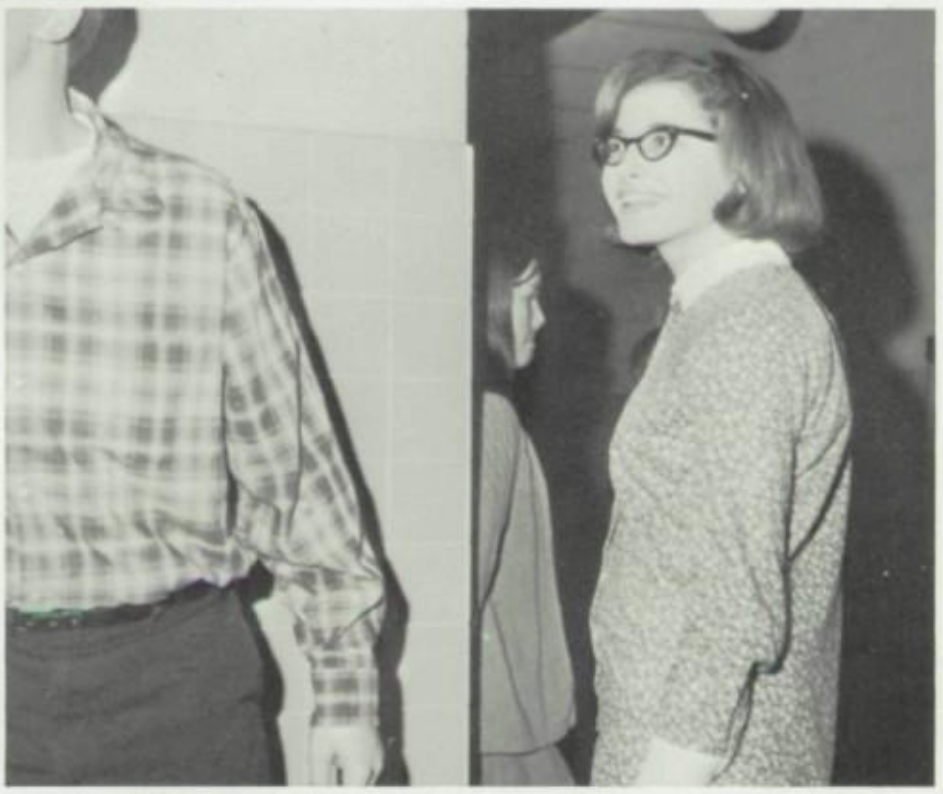
Hit her Patsy!

Jim McMeans likes L.C.H.S.

Eighth grade team

Meet the swingers.

You call <u>that</u> funny?



When?

It's none of your business!

Who
pushed me?

The boy that boy-watchers watch.

Wait! Wait! Wait!
That's all we ever do.

The Three Stooges

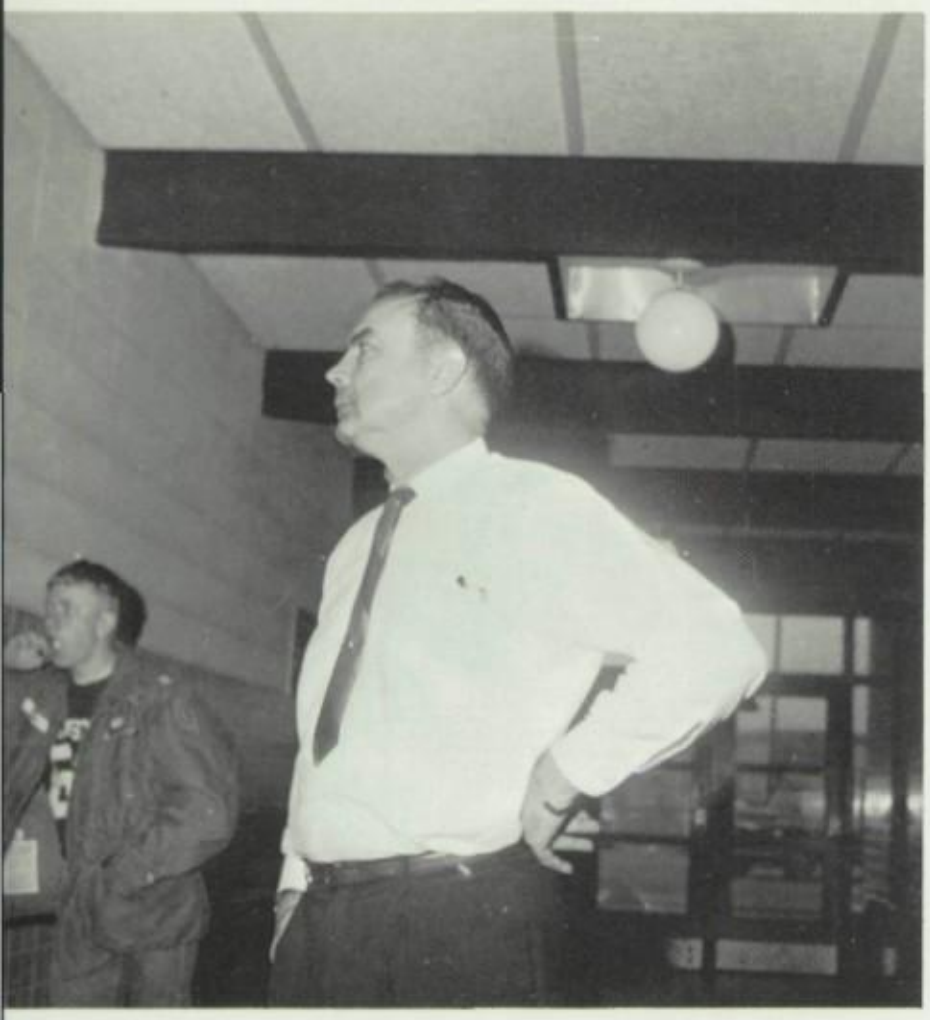
Johnny's daily exercise

Patty-cake, patty cake

I'll think it over.

Here we go again!

Dream,
dream,
dream . . .

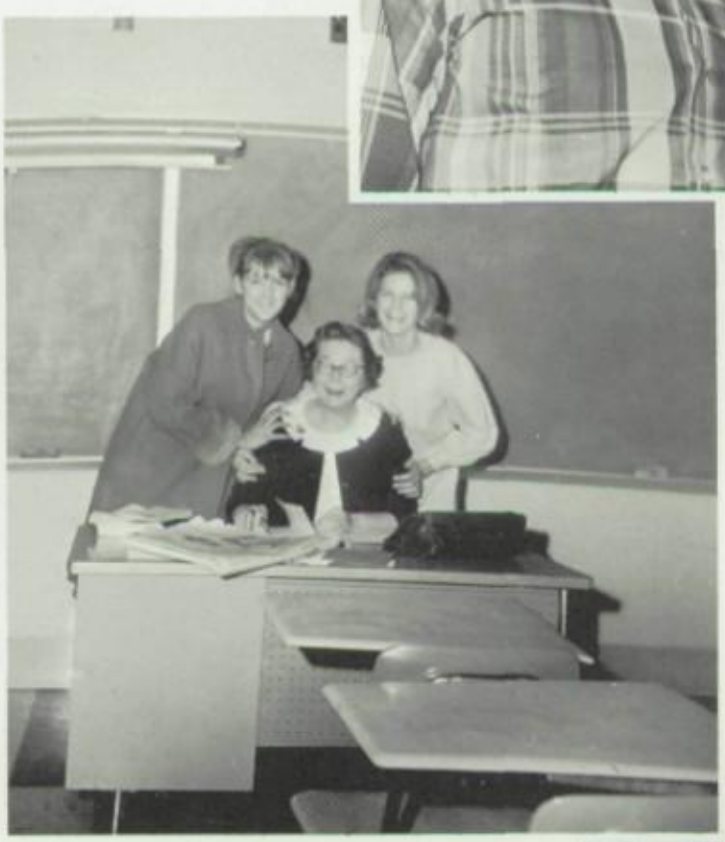


No, not again!

Out of the mouths of babies . . .

You handsome devil, you!

And then he said . . .



Baby, it's cold outside!

My, My what a mess.

Betcha I know what they're talking about.

No, I don't bite my nails.

Uh-Uh, not too close.

You'll never believe this, but . . .

Sure, I can arrange Mozart.

Come on Mr. Woodard, tell us another one.

Yes, I'll explain this volume to you.

There's too much white space.

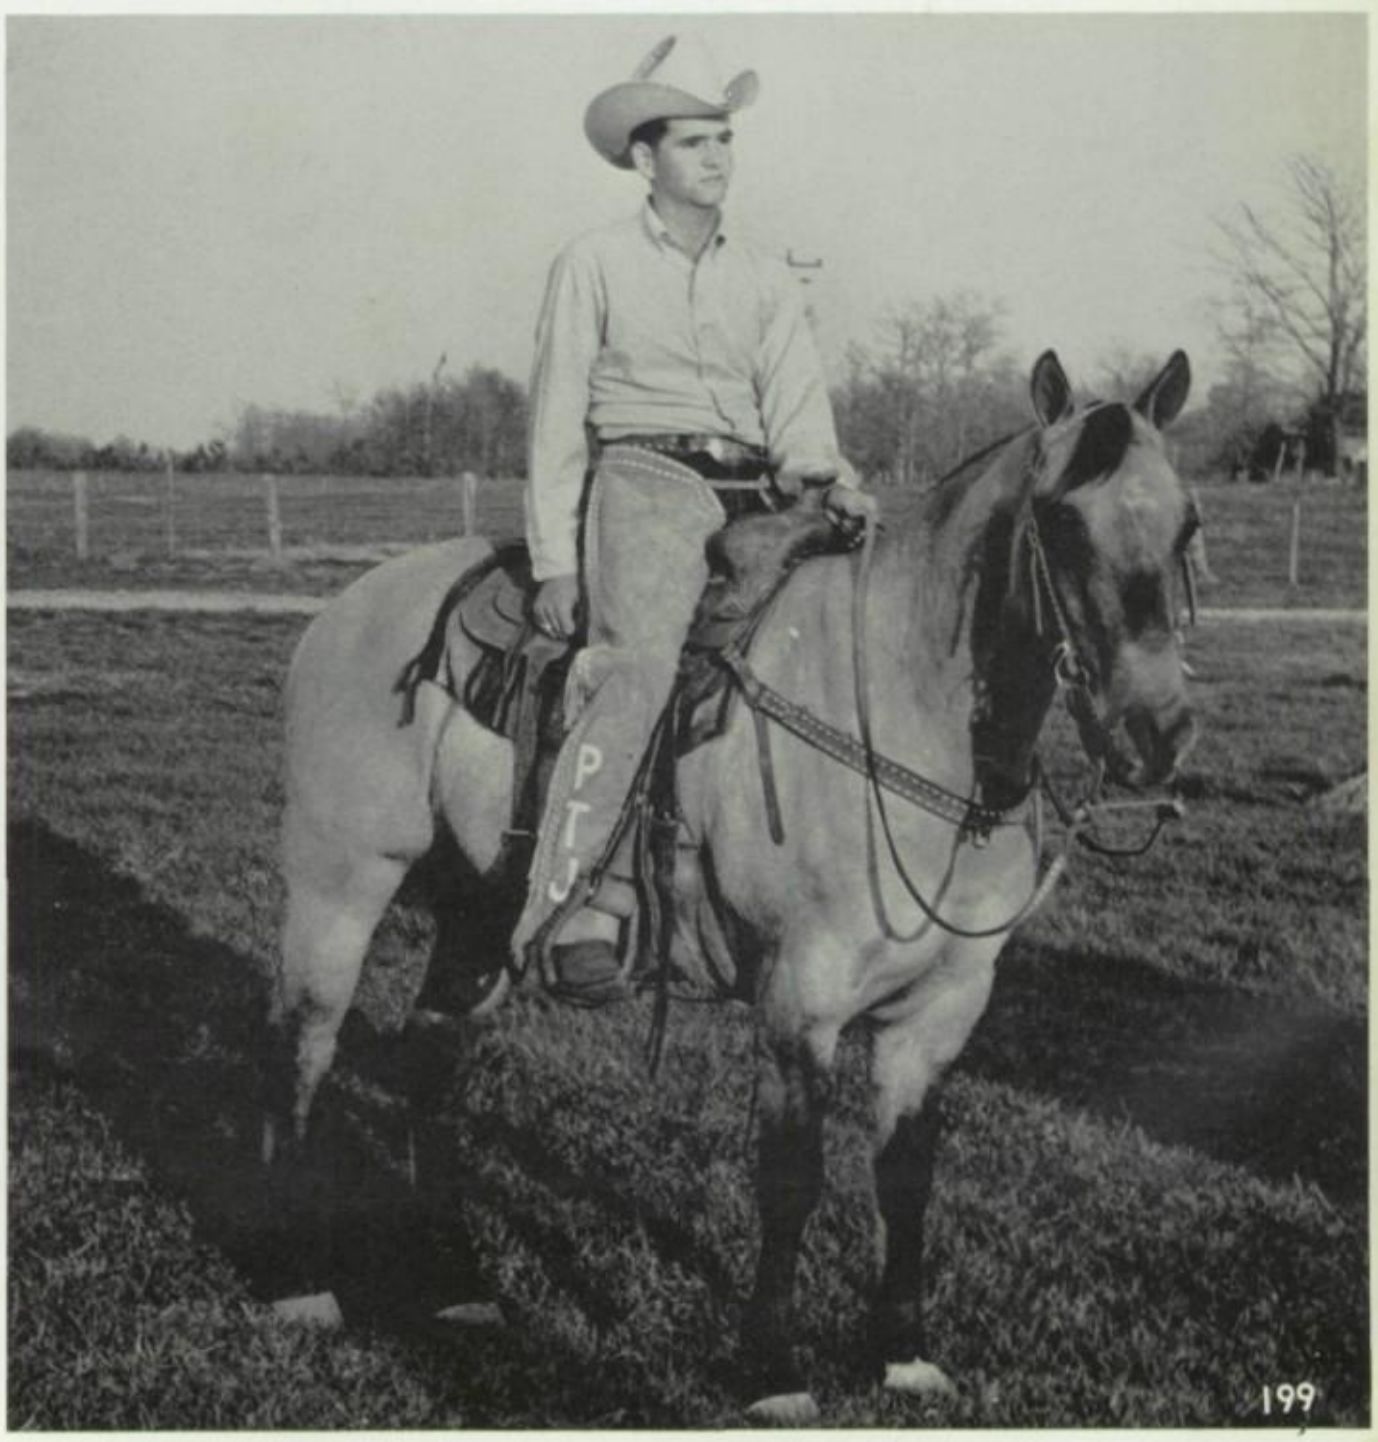
JOHNSON AND SON QUARTER HORSE RANCH

We sell horses, too!



He who knows not, and knows not that
he knows not, is a fool. Shun him.
He who knows not, and knows that he
knows not, is simple. Teach him.
He who knows, and knows not that he
knows, is asleep. Waken Him.
He who knows, and knows that he knows,
is wise. Follow him.
